Care Instructions

Never use scouring pads or abrasive cleaning solutions. If it comes in a bottle, its bad for your fixture. Instead, we recommend using soft microfiber cloths, which are gentler on our products and the planet. Wipe with a damp microfiber cloth. Do not submerge in water.

Notes

- 1. This fixture can be installed on a wall or ceiling*
- 2. This fixture has handmade elements and may exhibit variability within the same piece. These variations are inherent in the production process and are not to be considered as defects.*
- 3. Dimensions may vary within one inch.*
