# FALTEN PENDANT

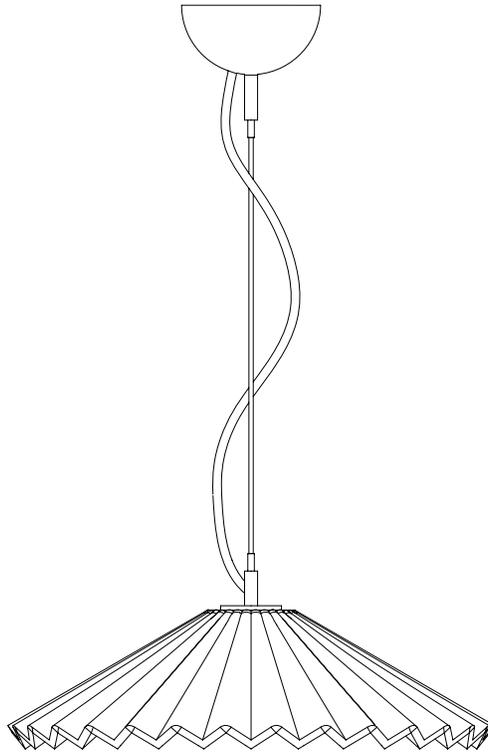

*Specifications*

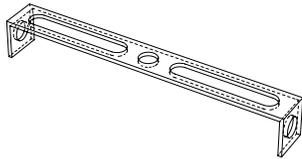

# FALTEN PENDANT

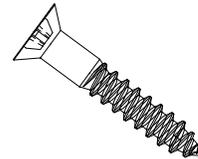

*Components*

PENDANT, WIRE,  
AND CANOPY

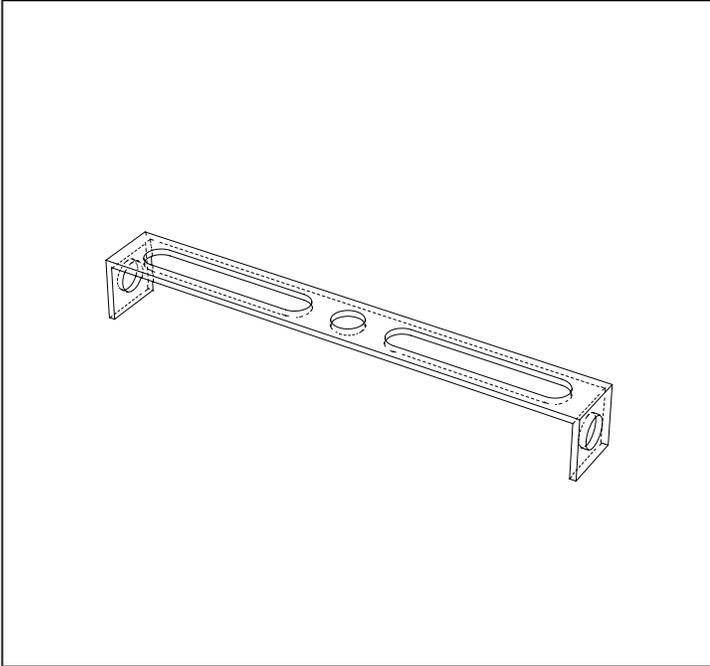

MOUNTING PLATE

SCREWS

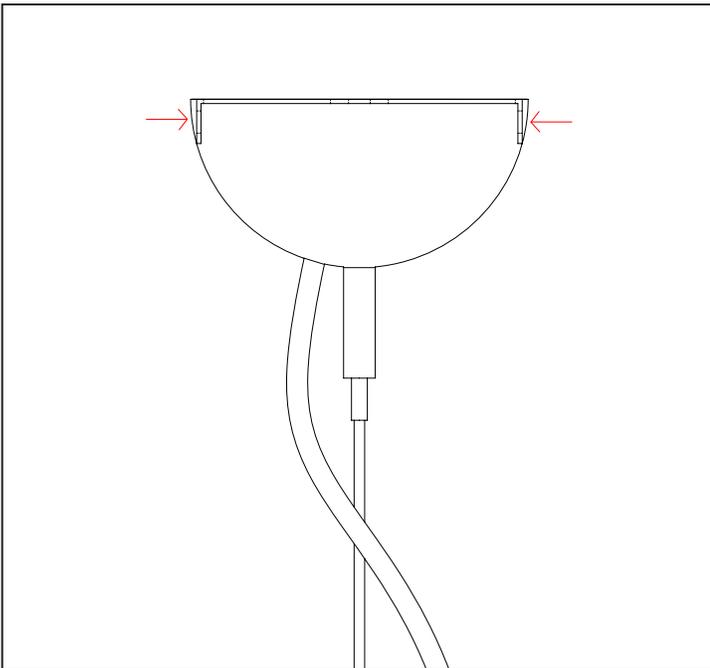

## Step 1

Before install, ensure power is off in ceiling where pendant will go.

Select location for pendant. Hold mounting plate to ceiling and mark where you would like canopy to sit according to this. Once placement is good, screw mounting plate to ceiling.

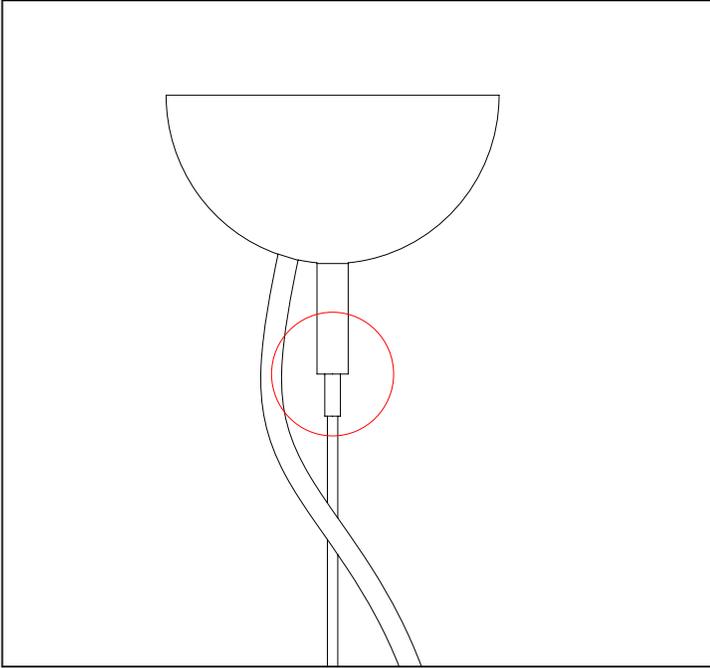

## Step 2

At least two people are required for the next step. One person will hold pendant while the other hardwires it to system in ceiling. Once wiring is finished, screw the canopy to the mounting plate.

Installation must be completed by a licenced electrician and in compliance with all local laws and regulations.

## Step 3

If pendant is not hanging at desired height, use the mechanism under the canopy to lift or lower it. Do this until pendant is sitting in ideal position.

## Step 4

Screw in light bulbs to sockets inside shade.

Assembly complete. Enjoy.

Installation must be completed by a licenced electrician and in compliance with all local laws and regulations.
