48" spread with a 6' overall drop (6.5" diameter orbs) | Handblown Glass & Brass

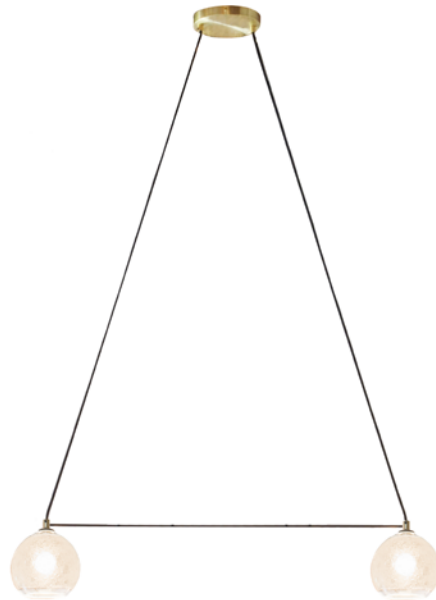

*Finish options available.

LINEA CHANDELIER

The linea chandelier utilizes rigid horizontal lines to space individual glass shades hung on cloth cord. Light and airy, the fixture has a subdued elegance. Customizable and adjustable, a variety of glass shades, finishes, and drop lengths are available. Hand blown and shaped in lead free crystal. No molds are used, and each glass shape is unique. Designed and made by Siemon & Salazar in California. Signed.
