Care Instructions

Light Bulbs

We advise not to use light bulbs over 40 Watts. LED bulbs are always recommended as they radiate minimal heat.

Sunlight

The color of the lanterns can be altered by daylight over time. We recommend that it is positioned away from direct sunlight and heat to help maintain the color.

Cleaning

To clean the lanterns: use a gentle sweeping motion vertically from top to bottom with a dry microfibre cloth or soft brush.

Installation Instructions

See attached document.
