Care Instructions

Never use scouring pads or abrasive cleaning solutions. If it comes in a bottle, its bad for your fixture. Instead, we recommend using soft microfiber cloths, which are gentler on our products and the planet.

Notes

1. This fixture is portable.
2. When turning on the fixture for the first time, press the finial for a few seconds. Tap or press down to dim and brighten.
3. Fixture includes a 15W magnet wireless charger with a 10 ft cord.
4. When the fixture is connected to the magnetic charging pad, the light will flash three times. It takes four hours to charge from 0% to 100%.
5. The battery will last 10 hours when the lamp is set to maximum brightness.
