Care Instructions

Never use scouring pads or abrasive cleaning solutions. If it comes in a bottle, its bad for your fixture. Instead, we recommend using soft microfiber cloths, which are gentler on our products and the planet.
Wipe clear or colored glass with a damp microfiber cloth. For sandblasted or etched glass, use a dry microfiber cloth. Removable glass shades can be washed carefully in a sink using warm or hot water.

Notes (Small)

1. This fixture has handmade elements and may exhibit variability within the same piece. These variations are inherent in the production process and are not to be considered as defects.
2. Dimensions may vary within one inch.
3. This fixture has a mud ring for a trimless installation over a standard junction box. Please note a professional drywall finisher will be required. See installation instructions for details.

Notes (Medium)

1. This fixture has handmade elements and may exhibit variability within the same piece. These variations are inherent in the production process and are not to be considered as defects.
2. Dimensions may vary within one inch.

Notes (Small with Backplate)

1. This fixture has handmade elements and may exhibit variability within the same piece. These variations are inherent in the production process and are not to be considered as defects.
2. Dimensions may vary within one inch.
3. This fixture has a fixed brass rod that is not adjustable. Please specify the overall length (OAL) when placing your order. OAL is measured from the ceiling to the bottom of a fixture and includes the shades.
4. 3-foot OAL is included in the price of this fixture. Additional length is priced per inch.
5. The minimum OAL for this fixture is 12 ½ feet, and the maximum is 12 feet.
6. This pendant can be customized for installation on a sloped ceiling. Please get in touch with us for more information.
