Care Instructions

Never use scouring pads or abrasive cleaning solutions. If it comes in a bottle, its bad for your fixture. Instead, we recommend using soft microfiber cloths, which are gentler on our products and the planet. For Metal: Wipe with a damp or dry microfiber cloth. Please note that our brass is unlaquered, and will darken naturally over time. For Glass: Wipe clear or colored glass with a damp microfiber cloth. For sandblasted or etched glass, use a dry microfiber cloth. Removable glass shades can be washed carefully in a sink using warm or hot water. For Ceramic: Wipe with a damp microfiber cloth. Do not submerge in water.

Notes

1. This fixture has a fixed brass rod that is not adjustable. Please specify the overall length (OAL) when placing your order. OAL is measured from the ceiling to the bottom of a fixture and includes the shades.
2. 3-foot OAL is included in the price of this fixture. Additional length is priced per inch.
3. The minimum OAL for this fixture is 26" (S) and 42" (L), and the maximum with no seam is 92" (S) and 104.5" (L). With an additional stem the maximum OAL is 164" (S) and 176.5" (L) with the seam at 90.5" (S) and 103" (L).
4. This fixture has handmade elements and may exhibit variability within the same piece. These variations are inherent in the production process and are not to be considered as defects.
5. Dimensions may vary within one inch.
