## Specification Drawing

## Notes

1. This fixture can be installed on a wall or ceiling
2. Universal canopy mounting is located at the center of the fixture. Additional anchor holes are available for added support.
3. This fixture has handmade elements and may exhibit variability within the same piece. These variations are inherent in the production process and are not to be considered as defects. We do our best to maintain a consistent product while honoring handmade crafts- manship.
4. Dimensions may vary within half an inch.
5. The LED lifetime is 50,000 hours.
6. The driver is included within the fixture.
7. This fixture is designed so the LED board can be replaced when it reaches its lifetime.
8. This fixture meets the requirements of the Americans with Disabilities Act (ADA) of 1990.
