Specification Drawing - Hardwire SMALL

Notes Hardwire

1. This fixture can be installed on a wall or ceiling.
2. This fixture can be installed vertically or horizontally.
3. Designed for installation with a standard one-gang out-let box. Canopy mounting is located at the center of the fixture. Additional anchor holes are available for added support.
4. This fixture has handmade elements and may exhibit variability within the same piece. These variations are inherent in the production process and are not to be considered as defects. We do our best to maintain a consistent product while honoring handmade crafts-manship.
5. Dimensions may vary within half an inch.
6. The LED lifetime is 50,000 hours.
7. The driver is included within the fixture.
8. This fixture is designed so the LED board can be replaced when it reaches its lifetime.
9. This fixture meets the requirements of the Americans with Disabilities Act (ADA) of 1990.

Specification Drawing - Plug In SMALL

Notes Plug In

1. This fixture is installed vertically. 2. Designed for installation with a standard one-gang outlet box. Canopy mounting is located at the center of the fixture. Additional anchor holes are available for added support. 3. This fixture comes with a 16-foot chocolate brown fabric cord. The dimmer switch is our black painted metal finish and is located 8 feet from the plug. 4. This fixture has handmade elements and may exhibit variability within the same piece. These variations are inherent in the production process and are not to be considered as defects. We do our best to maintain a consistent product while honoring craftsmanship. 5. Dimensions may vary within half an inch. 6. The LED lifetime is 50,000 hours. 7. The driver is included within the fixture. 8. This fixture is designed so the LED board can be replaced when it reaches its lifetime.
