List Price *	\$2,800	<i>* List pricing is subject to change and does not include shipping.</i>
Care Recommendations	<ul style="list-style-type: none"><li>• Clean with care. Wipe using a soft, damp cloth. Avoid abrasive pads, harsh cleaners, or acidic products, as they may scratch or dull the finish.</li><li>• Protect the surface. Do not place extremely hot or wet items directly on the ceramic to prevent thermal shock or surface staining</li><li>• Handle gently. Ceramic can chip if knocked or dropped—lift rather than drag when moving</li><li>• Avoid prolonged moisture. If liquid is spilled, dry promptly to maintain the integrity of the finish.</li></ul>
