<i>*Variation expected</i>												
List Price *	\$3,900											
<i>* List pricing is subject to change and does not include shipping.</i>												
Care Recommendations	<ul style="list-style-type: none"><li>• <i>Clean with care. Wipe using a soft, damp cloth. Avoid abrasive pads, harsh cleaners, or acidic products, as they may scratch or dull the finish.</i></li><li>• <i>Protect the surface. Do not place extremely hot or wet items directly on the ceramic to prevent thermal shock or surface staining.</i></li><li>• <i>Handle gently. Ceramic can chip if knocked or dropped—lift rather than drag when moving.</i></li><li>• <i>Avoid prolonged moisture. If liquid is spilled, dry promptly to maintain the integrity of the finish.</i></li></ul>
